## Sino-Finnish Centre

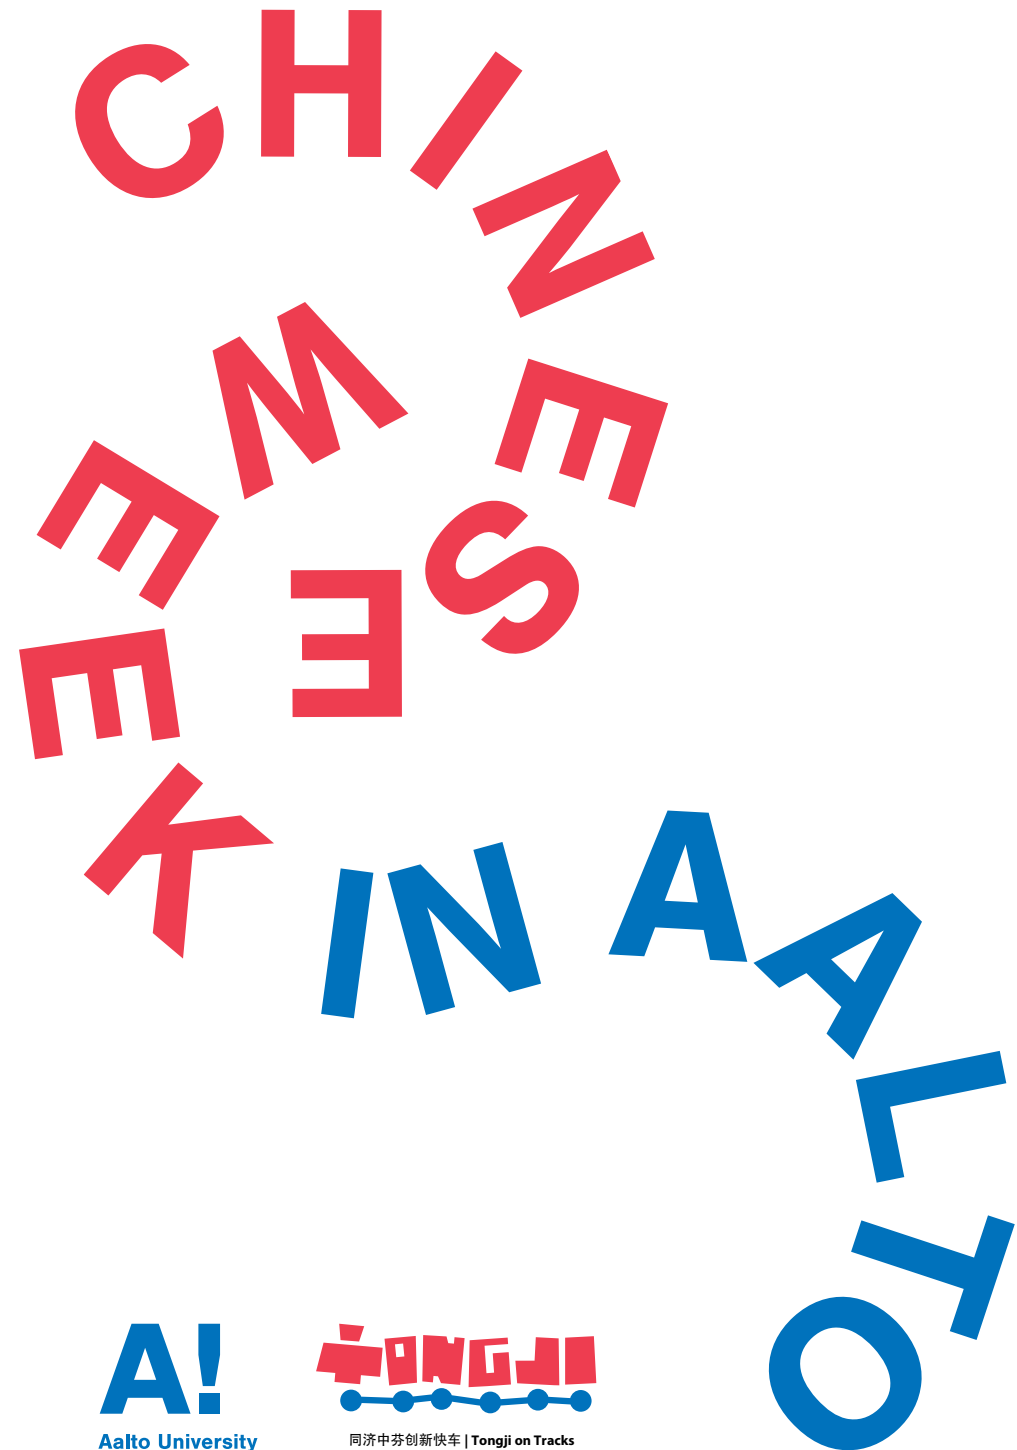

Sino-Finnish Centre is a joint initiative by Tongji & Aalto University. The centre is an open, international platform that actively contributes to the building of creative and sustainable societies of the 21st century through high quality research, education and innovations. Through this platform, the universities hope to further develop their strategic partnership in different areas of education, research and industry cooperation.

As first part of the Sino-Finnish Centre, Aalto-Tongji Design Factory was officially opened on 25.5.2010.
